Leading the pack on maxi trimarans

Maxi trimaran Banque Populaire VII (31 m), Spindrift 2 (40 m), Prince de Bretagne (24 m), IDEC (24 m). They've all chosen Profurl and its range of NEX STR stockers and NEX Hybrid furlers. NEX Hybrid utilizes Ceramic Bearing Technology to provide serious weight-saving and less friction. It's the ideal solution for small crews looking for performance and ease of use.
