

## Smock &amp; Lycra Tops

## CL8 - Regatta Smock

CL8

- ✓ **Waterproof**, high **breathability** shell with fully taped seams for maximum protection and comfort in all conditions.
- ✓ **Front opening with water resistant zip** delivers maximum water protection in cold conditions and gusset-free design gives **superior ventilation** when things heat up.
- ✓ **Dual chest pockets with water resistant zips** provide easy access; even when wearing a PFD.
- ✓ **Neoprene waist band** with non slip smoothie finish on inside **prevents ride-up and water wicking**; fabric coated on outside for max durability.
- ✓ **Lightweight micro-mesh lining** provides a captive air layer for temperature control and eliminates that 'sticky' feel when you're sweating or wet. Fine micro-mesh weave minimizes snagging on watch bands etc.
- ✓ **Comfortable stretch cuff and neck seals** ensure a snug fit and minimum water ingress.
- ✓ **Lightest weight** without compromising on performance; the result of premium technical fabrics and practical design features to meet the demands of today's competitive sailors .
- ✓ **New action cut** means a closer fit, but still full freedom of movement for the most demanding manoeuvres.
- ✓ **Sizes XXS - XXL**

## And you thought the old one was good!
